IT goes without saying that all eyes will be on Jeff Chandler as he runs out in Derby County colours this afternoon on his first return trip to Burnden Park after his move to the Baseball Ground in the summer.

I was sorry to see Jeff go when he did but it was his decision in the end. He's done well since he left and must be enjoying himself playing in a fairly successful side.

I had a good chat with his wife Tracey when they were over here for a function a couple of weeks ago and she tells me that the family has settled down very well in Derby.

What Jeff knows, though, is that we'll try to make it a rough return trip for him today. We won't be offering too warm a welcome once the whistle goes at three o'clock.

Nothing ever stops us extending our hospitality towards visiting teams and supporters, however, and Derby come to Burnden this afternoon still harbouring high

expectations in the League and a fitting return for their expensive investment in new players.

It's tremendous for any club these days to be in the position of spending big sums of money on the transfer market — even though high spenders are always under more pressure to get results.

But how tremendous for a club in the Third Division to have the scope, which Derby had a couple of weeks ago, to go out and spend £100,000 on one player — John Gregory.

That was a clear indication that Derby are pushing very hard for promotion.

But as we try to put the disappointment of last week's Cup exit behind us we have no intention of letting them get their hands on three points this afternoon.

DERBY COUNTY

DERBY RECOVERY WELL UNDER WAY

by Tony Pullein

Derby County, League Champions as recently as in 1972 and 1975, have not had much to celebrate over the past five years or so. In 1980 they lost their First Division place and four years later they found themselves in Division Three.

As the club lurched from one financial crisis to another, it seemed at one point that it might go under altogether. Some decisions of successive boards were forced upon them by financial pressures and they allowed several good managers to slip away from the Baseball Ground.

Happily, the situation today is very different. One of the shrewdest moves made by the club was the appointment of Arthur Cox as manager, shortly after they had been relegated to the Third Division in 1984. Mr Cox has a remarkable record as coach and manager and his arrival was the nearest Derby could have gone to guaranteeing success.

Mr Cox was Sunderland's coach when they shocked Leeds to win the 1973 F.A. Cup final and he also helped the Rokerites win the Second Division Championship. He coached Preston to the Championship of Division Three and, after a spell as manager at Chesterfield, he moved on to Newcastle and led that famous club back into the First Division in 1984.

When he had assessed his playing staff at Derby, Mr Cox considered he would have to do a complete rebuilding job. He has wielded the axe fiercely and only two of the players — defenders Steve Buckley and striker Bobby Davison — who were regular first-teamers when he arrived are still in the side today.

He has picked his new signings carefully and, at the same time, brought in two or three young players from the reserves. The result is that Derby now have a very successful side which could well regain its Second Division place this season.

Their away record is impressive. Since going down at Wigan (1-2) in the first away game of the season, they have remained unbeaten when travelling in the Third Division. The Rams won at Cardiff (2-0) and Gillingham (2-1)

and drew at Bristol Rovers (0-0), Bury (1-1), Bristol City (1-1), Rotherham (1-1) and Brentford (3-3).

After defeating Hartlepool 3-2 on aggregate in the first round of the Milk Cup, Derby gave an impressive display when dismissing First Division Leicester City (3-1 on aggregate) at the next stage. They were only narrowly beaten at home by Nottingham Forest (1-2) in round three.

Derby ran up a 5-1 home victory over Crewe in the first round of the F.A. Cup but now face an awkward-looking home tie with those great giant-killers Telford United.

Derby have scored 15 goals in their last three matches, beginning with that 3-3 draw at Brentford. A few days later they thumped Lincoln City by a massive 7-0 at the Baseball Ground as a prelude to that 5-1 Cup victory over Crewe.

So the miseries of the recent past have now been put well to the back of Derby minds as the club surges forward to what it hopes will be a new era of success.

Their recent experiences are not entirely new, though. Since their formation in 1884, they have been through many dark periods.

The Rams were one of the original members of the Football League in 1888 and, until the second world war they moved quite regularly between the First and Second Divisions. It wasn't until 1946 that they achieved their first major triumph — they defeated Charlton 4-1 in the F.A. Cup final. Earlier Cup final appearances, in 1898, 1899 and 1903 had ended in defeat.

With great players like Raich Carter and Peter Doherty, Derby enjoyed a few eventful years immediately after the second world war. But, by 1953, they were in decline. They left the First Division and, within two years, were in the Third Division (North). It took them two years to regain their Second Division place, they then spent a decade planning their eventual return to the top.

The Rams made their First Division re-entry in 1969 and, three years later, they won the League Championship for the first time. They repeated that

success in 1975.

Those titles were achieved under the managership of Brian Clough and Dave Mackay but the club then went into an era when it changed managers regularly with the inevitable result that relegation came again in 1980.

Then came their drop into Division Three.

Now, happily, the Rams are on the way back to the top again.

MARK WALLINGTON (Goalkeeper). Mark was signed from Leicester City this summer. After winning England youth honours, Mark began his League career with Walsall in 1971 but he had made only 11 League appearances for the Saddlers when Leicester signed him for £35,000. At Filbert Street, he became an England under-23 international and he made well over 400 League appearances for Leicester before his transfer.

CHARLIE PALMER (Defender). Charlie served his apprenticeship with Watford and got his chance in their League eleven in 1983/84. But he was released at the end of that season and, it was after joining Derby that he established himself in League football last season.

PAUL BLADES (Defender). Paul is a former Derby apprentice. He made a few League appearances during 1982/83 but it was last season when he earned himself a regular place in the side.

ROBERT HINDMARCH (Defender). Robert quickly established himself in the Sunderland side after making his senior debut in 1979 and he went on to make more than 100 League appearances for the Rokerites. After losing his place, he joined Portsmouth on loan in 1983/84 and at the end of that season he was transferred to Derby.

ROSS MacLAREN (Defender). Ross started his professional career with Glasgow Rangers but he didn't make the first-team at Ibrox. After moving south to Shrewsbury, he made his League debut in 1981 and he rapidly won himself a firm place in the side. Derby signed him for £67,500 during the last close-season.

Back Row: Roy McFarland (Asst. Manager), Ross MacLaren, Floyd Streete (now Wolves), Steve Biggins, Richard Pratley, Mark Wallington, Rob Hindmarch, Eric Steele, Andy Garner, Trevor Christie, Charlie Palmer, Steve Powell, Gordon Guthrie (Physio).

Front Row: Neil Bailey, Geraint Williams, Micky Lewis, Steve Buckley, Bobby Davison, Arthur Cox (Manager), Steve McClaren, Paul Blades, Gary Micklewhite, Jeff Chandler, Graham Harbey.

STEVE BUCKLEY (Defender). Luton signed Steve from Burton Albion and he made his League debut for the Hatters in 1974. After holding a first-team place at Kenilworth Road for four years, he was transferred to Derby for £150,000 in 1978.

GERAINT WILLIAMS (Midfield). Derby signed Geraint from Bristol Rovers for £40,000 shortly before last season's transfer deadline. He completed his apprenticeship with Rovers and, after earning a place in their first-team in 1980, he was capped twice by the Wales under-21s.

STEVE MCCLAREN (Midfield). Steve developed in Hull City's apprenticeship scheme and first appeared in the Tigers' League eleven in 1980. It took him a couple of years to win the regular place which he held until moving on to Derby this summer.

GARY MICKLEWHITE (Midfield). Gary learned his game with Manchester United but he didn't come into contention for a place in the senior team at Old Trafford. When manager Tommy Docherty moved on to Q.P.R., he signed Gary and he was given his chance in their League team in 1981. Derby signed him for £75,000 last season.

GRAHAM HARBHEY (Midfield).

Graham served his apprenticeship with Derby and was introduced to League soccer by the Rams in 1983/84. Not yet a regular member of the side, he is sometimes named as substitute.

JOHN GREGORY (Midfield). John has recently been signed from Q.P.R. for £100,000. He began his League career with Northampton in 1973 and he made about 200 appearances for the Cobblers before moving on to Aston Villa for £40,000 in 1977. Brighton paid £250,000 two years later and in 1981 he was transferred to Q.P.R. for £300,000. Whilst with Rangers, John played for England on 6 occasions, and also in their 1982 F.A. Cup final side.

BOBBY DAVISON (Forward). Bobby has been the Rams' leading scorer in each of his two full seasons at the Baseball Ground and, with 14 goals to his credit, is poised to top the list yet again. He began his career with Huddersfield but made only occasional first-team appearances for them. After joining Halifax in 1981, he was top scorer with 21 goals in his first season. Derby signed him for £55,000 during 1982/83 and, after scoring eight times in the remainder of that season, his tally was 18 in 1983/84 and 24 last term.

TREVOR CHRISTIE (Forward). Trevor was a successful Leicester apprentice,

making his League debut in 1978. Notts County signed him for £85,000 in 1979 and he was on two occasions their top scorer, hitting a personal-best 25 goals in 1983/84. He moved on to Nottingham Forest for £175,000 at the start of last season but the move was not a success and, within week, he joined Derby in a £125,000 deal. Trevor has scored seven times this season.

JEFF CHANDLER (Forward). Jeff is a clever, and high-scoring winger — a rarity in modern football. His tally of ten goals this season includes three penalties. Blackpool introduced him to League football in 1977/78 but he had made only 37 League appearances for the Tangerines when Leeds signed him as a 20-year-old in 1979. His stay at Elland Road was not a happy one, however, so he was pleased to sign for Bolton in 1981. In spite of the Trotters' lack of success, Jeff gave some brilliant performances and last season he scored 20 goals for them. Derby completed his transfer for £38,000 in the summer.

ANDREW GARNER (Forward). Andrew is a former Derby apprentice who graduated to first-team duty two seasons ago. Since regaining his place in the side last month, Andrew has become a consistent goalscorer, netting four times in only six League outings.

CLUB NEWS

In Retrospect

Whilst the current topic in the football world are the changes to the Football League, it is apt that our visitors today are our oldest league opponents. Derby County visited Pikes Lane in September 1888 and went away with both points in a 6-3 victory after being three goals down at an early stage of the game. That was the first league game for both sides and today sees the 103rd confrontation in the competition between the clubs.

Goals have never been in short supply in this fixture with only three scoreless results and 351 goals. Bolton knocked up their best win over 'The Rams' in season 1889-90 with Jim Cassidy grabbing four goals in a 7-1 rout at Pikes Lane. County's best also came at their previous home, the Racecourse Ground, by 6-1 in 1893-94.

In the seasons before the war, Derby had put together a tremendous run of results on their visits to Burnden winning six and losing only once between 1929 and 1939. In the first game between the sides after the war Derby visited Burnden in November 1946 looking to keep up with their fine record. Willie Moir returned to the Bolton side after being out of favour and produced a brilliant performance by grabbing two goals in a 5-1 win.

An early kick off kept the crowd down to 26,121 who saw Nat Lofthouse put the Wanderers in front after 15 minutes when he headed over County keeper Grant. Five minutes later Broome equalised but Bolton restored their lead when Tom Woodward got onto the end of a Teddy Rothwell cross. Willie Moir scored the best goal of the game on the hour with a fine individual effort and further goals from Nat Lofthouse and Moir again buried Derby. In the latter stages Lofthouse was brought down by Leuty in the penalty area. Jack Roberts stepped up to take the kick but his effort struck the left hand upright and bounced clear.

The following March the Wanderers visited the Baseball Ground having lost on their last 11 visits there. It appeared that Derby were to keep the 'bogey' tag over Bolton when centre forward Stamps put them in front after 16 minutes. In the 32nd minute, from a speculative lob forward by Willie Moir, Nat Lofthouse got round the defence and managed to run the ball into the net to equalise. Four minutes later Bolton were awarded a penalty when Mozley handled. Lol Hamlett took the kick which was saved by keeper Woodley, but Ray Westwood was on hand to put away the rebound. In the 50th minute Bolton were awarded a second penalty, Lofthouse having been charged in the face by Leuty.

Lol Hamlett again stepped up to face the kick and this time converted it although the ball did strike Woodley on its way into the net. The 3-1 scoreline was Bolton's first victory at the Baseball Ground since 1919-20 and even in more recent times it was proved an unlucky place for Bolton with only 2 victories in 17 visits since that win in 1946-47 for which the two sides were:

Bolton: Hanson, Roberts, Hubbick, Gillies, Hamlett, Forrest, Woodward, Moir, Lofthouse, Westwood, Wrigglesworth.

Derby: Woodley, Mozley, Poppitt, Ward, Leuty, Musson, Harrison, Carter, Stamps, Antonio, Broome.

Last season's games, the first in the Third Division between the clubs, saw home victories in each case. Kevin Wilson was Derby's hero at the Baseball ground grabbing a hat trick in a 3-2 win. Bolton twice came from behind with goals from Tony Caldwell and a Jeff Chandler penalty but they made amends in the return at Burnden. Charlie Wright was in charge of the Wanderers for the first time as they romped to a 3-0 win. Tony Caldwell opened the scoring and Jeff Chandler grabbed the other two, one from the penalty spot. It's a welcome back to Jeff today as he plays against the Wanderers for the first time since his transfer to Derby at the start of the season.

Our league record against Derby is as follows:-

	PL	W	D	L	F	A
Home	51	29	5	17	105	67
Away	51	8	11	32	59	120
Total	102	37	16	49	164	187

Coventry City Res 2 Bolton Wanderers Res 1

A youthful Bolton side were unlucky to go down at Highfield Road after seeing a more experienced Coventry side take 70 minutes to find a way round the experimental sweeper system.

Both goalkeepers were kept busy early on with Julian Darby and Paul Allen going close for the Wanderers and Kevin Mailey being equal to efforts from Andy Williams and Kenny Hibbitt.

The Wanderers took the lead in the 39th minute when Dean Roberts sent the keeper the wrong way from the penalty spot, the kick being awarded after Paul Allen had been fouled by Tony Dobson.

IAN LLOYD

City equalised through Michael Gynn in the 70th minute but Bolton still looked capable of taking something from the game. Six minutes from time Wanderers centre half, Paul Howard was unlucky to be sent off, for a late tackle on Gareth Evans after having been booked earlier on in the game and Coventry capitalised two minutes later with the winner from Paul Culpin.

Ian Lloyd gave a good account of himself at full back in his first central league game for the club.

Team: Mailey, Lloyd, Whitlow, Sutton, Howard, Winstanley, Darby, Allen, McCarty, Fitzpatrick, Roberts. Sub Griffin.

6th November 1985

Bolton Wanderers Res 1 Scunthorpe United Res 1

A Bolton side fielding much more experience than the previous week found it tough going against a well organised Scunthorpe United. On the occasions that the Wanderers did break through the United defence they found keeper Johnson in good form.

The visitors took the lead in the 14th minute when Longden rifled home from an acute angle 12 yards out to complete a good move.

George Oghani found his luck out firstly being booked by the referee for lashing out at Webster and then having a goal disallowed for offside.

Two minutes from half time Bolton got onto level terms when Daryl McCarty won an Oghani cross in the air and followed up before the United defence could react.

The best chance to win the game fell to Bolton in the 74th minute when George Oghani was put clear by Simon Rudge, but he overran the ball, allowing the United defence to recover.

Steve Haydock another youth team player did well on his debut in a defence that again opted for a sweeper system.

Team: Mailey, Shepherd, Whitlow, Sutton, Came, Haydock, Fitzpatrick, Oghani, McCarty, Rudge, Roberts, Sub Allen for McCarty.

Down memory lane

15 years ago 14th November 1970. Bolton went down 2-0 to Millwall at the Den slipping into the bottom four of the Second Division in the process. Gordon Bolland and Barry Bridges scored the goals for the Londoners before a crowd of 6,410 which proved to be the smallest that Bolton played in front of on their travels in season 1970/71. Long serving full back Syd Farrimond played his final league game for the club.

During the week the Wanderers youth side defeated Oldham 4-0 in a Lancashire Youth Cup tie. Sam Allardyce was in the Bolton side at full back whilst Graham Bell was on the opposing side.

Team manager Jimmy McIlroy parted company with the club after only 18 days in the job. Nat Lofthouse took over the reigns once again.

21st November 1970. Roger Hunt returned to the side for the first time in seven weeks and celebrated by scoring a hat trick in a 3-0 win over Birmingham City at Burnden. All the Wanderers goals came in the second half, keeping up their record of not having scored in the first half of a league game since the opening day of the season.

10 years ago 15th November 1975. Bolton extended their unbeaten run to 15 games although a point was dropped in a 0-0 draw with Carlisle United at Burnden. It was the first time that the Wanderers had failed to score at Burnden that season and not since August 20th had they failed to score in any game.

The conditions were atrocious with continual rain producing a quagmire that neither side could master.

22nd November 1975. Bolton came away from Notts County with a point after a 1-1 draw that saw Garry Jones sent off five minutes before half time for lashing out at County defender Ray O'Brien.

Earlier Jones had put Bolton in front but their lead only lasted three minutes before Les Bradd equalised.

5 years ago 11th November 1980. Bolton went down to a 2-0 defeat by Sheffield Wednesday at Hillsborough. Paul Jones headed through his own goal in the 13th minute and Terry Curran converted a penalty after 72 minutes that sealed Bolton's fate. In between, Neil Whatmore had netted, but the effort was mysteriously ruled out by a linesman's flag.

Wanderers record signing Len Cantello was dropped for the game at Wednesday and transfer listed at his own request.

22nd November 1980. Bolton wore their sponsored strip for the first time in a 1-1 draw with Grimsby Town at Burnden.

David Hoggan fired Bolton into the lead with his third goal in four games but Grimsby equalised in the 83rd minute through John Stone.

25th November 1980. The Wanderers defeated promotion challengers Notts County 3-0 at Burnden in a game that had been scheduled to take place ten days earlier, but was cancelled due to a waterlogged pitch.

Brian Kidd and a couple from Phil Wilson were the Wanderers scorers before a crowd of 7,344 which was the lowest at Burnden since October 1972.

Two days later the Wanderers youth team defeated Notts County 4-0 at Burnden in a second round FA Youth Cup tie. Only Simon Farnworth is still with the Wanderers from that side.

12th November 1985

Burnley Res 0 Bolton Wanderers Res 3

The Wanderers reserves took a lowly Burnley side to task by registering their best away win of the season.

It took only 3 minutes for Bolton to take the lead, Burnley full back Mick Southern firing into his own net after Roger Walker had made an exciting run from well inside his own half.

ROGER WALKER

Walker got onto the scoresheet five minutes from half time with a rasping shot from 12 yards completing a move that had involved Mike Whitlow and Julian Darby. Bolton's third goal came in the 67th minute and Walker was again involved. He got past two defenders before setting up a chance for Paul Allen to slip the ball past the helpless keeper from close range.

Team: Mailey, Fitzpatrick, Whitlow, Darby, Sutton, Howard, Walker, Allen, McCarty, Rudge, Roberts, Sub Winstanley.

Youth Team Success

Wanderers youth team came from behind to defeat Hull City 3-1 in the first round of the FA Youth Cup. Neil Buckley gave the visitors an early lead before Bolton equalised when Hull full back Mark Richardson caught out his own keeper with a backpass from 35 yards. Mike Whitlow gave Bolton the lead when he shot past the Hull keeper from an acute angle and Mark Winstanley grabbed the third with a 40 yard effort that the unlucky keeper could only help into the net.

Although the youngsters had some luck it was worked for and they deserved to make progress in the competition.

Team: Mailey, Hughes, Mullineux, Higgins, Haydock, Winstanley, Darby, Allen, Griffin, Lloyd, Whitlow. Sub Banks for Griffin.

GUEST SPOT

DES McBAIN LOOKS AT THE MOVES FOR A NEW-LOOK FOOTBALL LEAGUE

Supporters will obviously have read in the Press and heard on Television about the negotiations going on in private between the First Division and Second Division clubs regarding their attempt, in their words, to restructure the Football League.

At this stage we are in the dark as to what is planned and what we as clubs in the two lower divisions can expect in the future. The Third and Fourth Division clubs have not, up to now, been included in these negotiations.

It must be said that at this point even the First and Second Division clubs are not in agreement themselves as to how any possible restructuring should take place.

Having said that I feel there is a consensus of opinion that the First and Second Division clubs should unite to share a larger slice of the financial cake and this would obviously have a detrimental effect on all clubs in the two lower divisions.

These clubs are reliant on the income which is provided from sponsorship, Television, pools and levies set by the League. At the moment that cash is divided equally among the 92 clubs.

It would be unfair of this club at this moment in time to comment, other than in general terms, on how this whole

matter could affect Bolton Wanderers.

But the point I will make is that receipts from all aspects of levies etc from the Football League is approximately £100,000 per season.

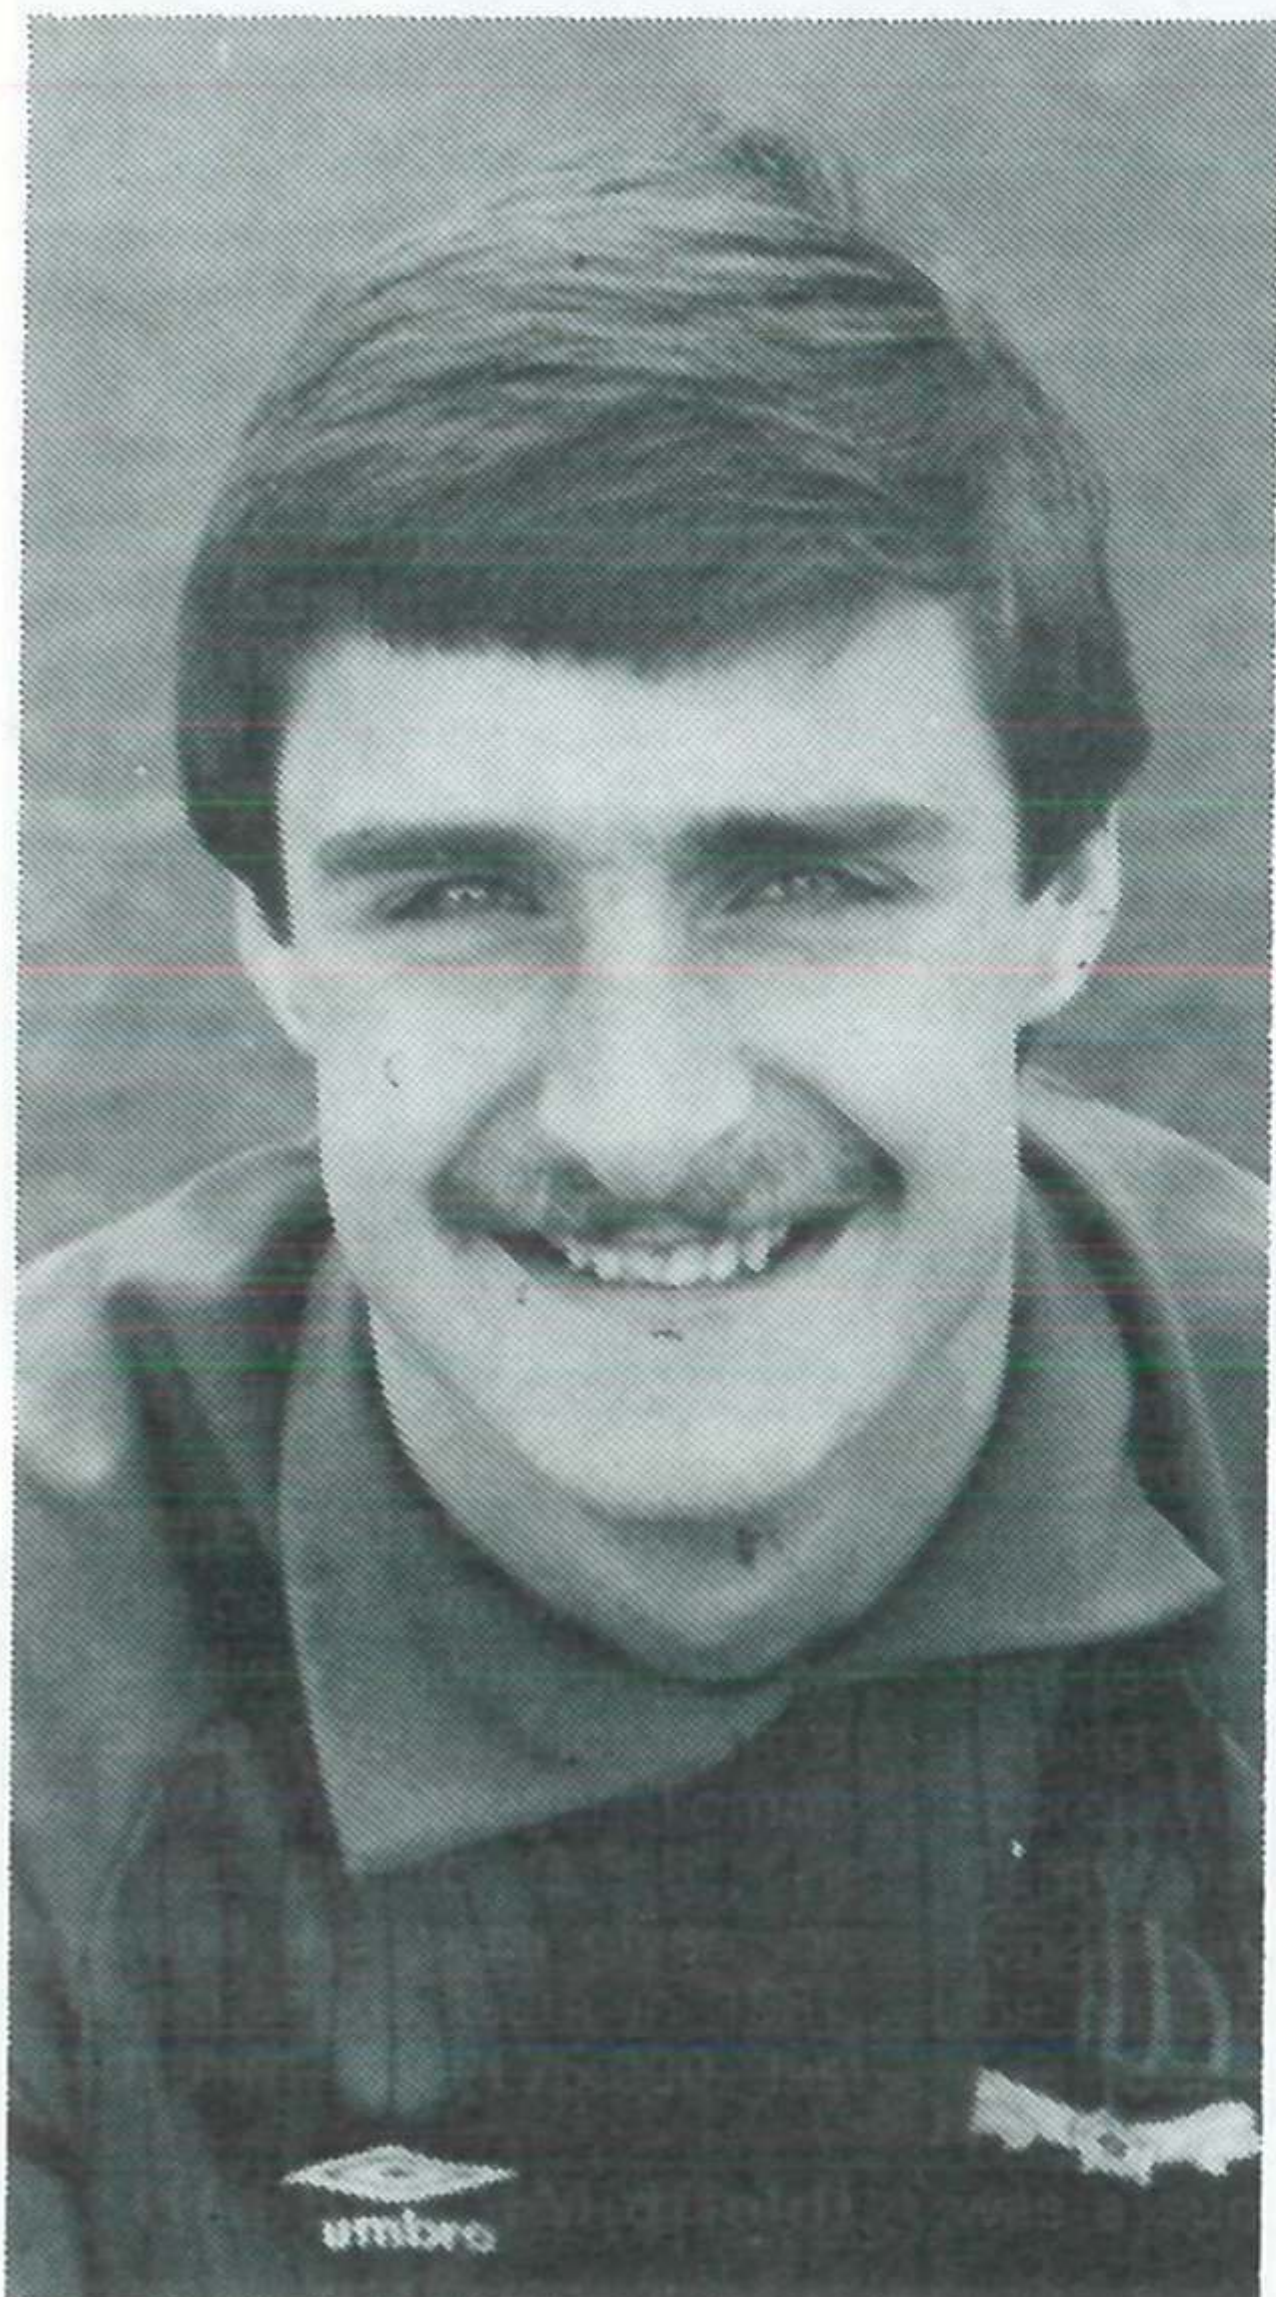

If you take this money from the Third Division and Fourth Division clubs and give it to the First and Second — taking into account that every club actually pays a levy to the League in the first place — they would benefit only to the tune of approximately £80,000 each.

Considering some clubs are many millions in the red at this present time it would not make a great deal of difference to their finances. As for top clubs who have massive turnovers, £80,000 would simply be a drop in the ocean.

Whatever comes of the negotiations, Bolton Wanderers would want to see traditional promotion and relegation battles continue for the continuing interest of the supporters of every League club.

I can assure you that everyone at Burnden Park will battle in an attempt to ensure that this happens.

As and when we have any further information it is our intention to keep our supporters fully informed.
